

# RNA Imp/Exp Door Truck Power Availability Heat Map

## CANADA

Heat Map is intended as a visual reference only, not as a guarantee of service or of wait time.

Truck Power availability is based on recent average as reported by HL Area offices for door moves characterized as 'Local' (<200 miles).

For longer-mileage door moves, or those with special requirements such as OW/DG/Tri-axle, wait times for Truck Power may exceed those indicated herein.

- Green Circle = Up to 72 Hrs.
- Yellow Circle = Up to 7 days
- Red Circle = Beyond 7 days
