

# WSSA's Winter Wine Program 2016-2017

**WSSA offers an economical solution to protect your wine from freezing during the cold weather months-  
WSSA's Winter Wine Program (WWP).**

**Receive your wine for less than the cost of shipping in a temperature controlled container!**

**Our WWP works by shipping your wine in a standard or insulated container to a warm weather U.S. port. Once it clears customs, the wine is loaded into a heated trailer for transport directly to your door!**

- ❖ Efficient Supply Chain Management
- ❖ Reduced Freight Rates
- ❖ Effective Order Control
- ❖ Comprehensive Carrier Selection
- ❖ Accurate Rate Analysis
- ❖ Superior Cargo Insurance
